

Confine Small Workplace Emergencies

This course covers the competency required to confine small workplace emergencies. Small workplace emergencies may include such incidents as a small fire that can be controlled using a nearby fire extinguisher. This course is nationally recognised.

Nationally Recognised Training

On successful completion of this course, students will be issued with a nationally recognised Statement of Attainment for:

PUAWER008B Confine small workplace emergencies

Duration and Location

This course is delivered over three hours and can be delivered at your premises or at a Chubb training facility.

Content

- Prepare for emergency situations
- Identify and assess the emergency
- Safely confine emergencies where possible
- Use initial response equipment
- Report workplace emergency response
- Use of portable firefighting equipment
- Action in responding to emergencies

Course Participation

This course is limited to a maximum of 15 participants.

Participants require the following for the course:

- Photo Identification
- Pen and paper
- Suitable clothing including long pants and enclosed footwear

Assessment

You will be assessed with a combination of short answer written questions and practical activities.

Cost

Please contact the Chubb Training office on 1300 650 182 or via email chubb.training@chubb.com.au for course costs.

Unique Student Identifier

The Australian government requires all students undertaking nationally recognised training to have a Unique Student Identifier (USI). Students can apply for a USI online at <http://www.usi.gov.au>.
