Going Digital

get to know your digital devices

Do you have a smartphone or another digital device like a tablet or iPad? Did you know that these devices can help to make your life easier?

Join us for Going Digital and find out how to make the most of your device.

This course will be fun and hands on but informative and an important way to stay connected with your community, your friends and your family!

10 x 2 hour sessions

Target skills: teamwork · communication · technology · number · reading
