

BSB42615 Certificate IV in New Small Business

This qualification is suitable for those establishing a small business who use well developed skills and a broad knowledge base to solve a range of unpredictable problems, and analyse and evaluate information from a variety of sources. They may provide leadership and guidance to others, and have responsibility for the output of others.

The program is offered by blended learning which allows you to take control of how, when and where you learn. At SkillsLink Training we let you choose and mix the methods that suit you best when studying for a Certificate IV qualification.
