## Personalised Payment Options (PPP)

After deducting your enrolment deposit from the course fees, you can tailor your repayments flexibly to fit your personal circumstances and affordability. Set your own weekly, fortnightly or monthly repayment amount, paying on an extended payment duration. A minimum of \$120 per week, \$240 a fortnight and \$500 a month applies.

You can make one-off payments along the way to shorten your payment plan duration or vary your repayments to accommodate changes in your life. To be able to offer you this flexibility, a additional 10% surcharge of the course fees you want to defer through the Personalised Payment Plan applies. A fair deal, following our vision to make education affordable and worthwhile.
