

UPDATE YOUR FIRST AID

The following certificates represent the most up to date units and are acceptable to all government departments and industries.

First Aid - HLTAID003

This unit of competency describes the skills and knowledge required to provide a first aid response to a casualty. The unit applies to all workers who may be required to provide a first aid response in a range of situations, include community and workplace settings.

Students who successfully complete this nationally recognised training will be awarded the statement of attainment for:

- HLTAID003 Provide first aid
- HLTAID001 Provide cardiopulmonary resuscitation
- HLTAID002 Provide basic emergency life support

Provide an emergency first aid response in an education and care setting - HLTAID004

This unit describes the skills and knowledge required to provide a first aid response to infants, children and adults.

The unit applies to educators and support staff working within an education and care setting who are required to respond to a first aid emergency, including asthmatic and anaphylactic emergencies.

Statement of Attainment issued:

Students who successfully complete this nationally recognised training will be awarded the statement of attainment for:

- HLTAID004 Provide an emergency first aid response in an education and care setting

This unit of competency may contribute towards approved first aid, asthma and anaphylaxis training under the Education and Care Services National Law, and the Education and Care Services National Regulations (2011).

Specific licensing requirements, including requirements for refresher training, should be obtained from the Australian Children's Education and Care Quality Authority (ACECQA) and/or relevant state/territory Work Health and Safety Regulatory Authority.

CPR - HLTAID001

This unit of competency describes the skills and knowledge required to perform cardiopulmonary resuscitation (CPR) in line with the Australian Resuscitation Council (ARC) Guidelines.

This unit applies to all workers who may be required to provide CPR in a range of situations, include community and workplace settings.

Statement of Attainment issued:

Students who successfully complete this nationally recognised training will be awarded the statement of attainment for:

HLTAID001 Provide cardiopulmonary resuscitation
Specific licensing requirements relating to this competency, including requirements for refresher training should be obtained from the relevant state/territory Work Health and Safety Regulatory Authority.
