

## Certificate III in Individual Support - Aged Care (CHC33015)

This training is subsidised by the NSW Government

If you want to join a caring profession, Certificate III in Individual Support will give you the preparation you need. Learn how to provide effective support to older people at a range of different care levels.

This qualification will enable you to work in residential facilities and carry out activities to maintain personal care and/or other activities of living for people in an aged care setting or in the disability support setting in the community or in a group home situation.

Suitable for people who would like to establish a career in aged care or disability support, it is also relevant to those who are already working in the field of aged care, homecare or disability under direct supervision, and looking to develop new skills and further their career.

NSW Smart & Skilled fees will apply for eligible students for this qualification.
